## COMPOSTABLE PAPER CUPS

# Sip Sustainably, Save the Future!

We are thrilled to announce that **WORLDSTAR PACKAGING INDUSTRY** has **officially received CPCB (Central Pollution Control Board)** certification for manufacturing compostable paper cups! This certification marks a significant milestone in our commitment to sustainability and eco-friendly practices.

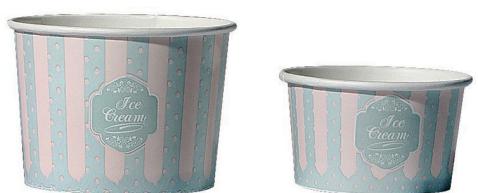

As part of our ongoing efforts to provide innovative and environmentally responsible solutions, we are proud to offer high-quality compostable paper cups that meet the stringent standards set by the CPCB. These cups are made from materials that are biodegradable and compostable, contributing to a cleaner, greener future.

Here are a few key highlights of our certified compostable paper cups:

- **CPCB Certified:** Ensuring compliance with environmental and regulatory standards.
- **Eco-friendly Materials:** Made from biodegradable, compostable materials.
- **Sustainable Choice:** Ideal for businesses looking to reduce their carbon footprint and support environmental sustainability.

*All products are tested as per global food safety and packaging standards at an internationally accredited laboratory (SGS) annually. The test reports are shared on demand .*
